of massage table. The hardness degree of the massage and the manipulations that are applied varies depending on the age of the guest who gets massage. After Baido session, you will a deep relief and serenity.

THAI MASSAGE: It is the traditional medical massage of Thailand. It is massage that applies acupressure techniques and stretching moves together which decreases the jitters in the muscles and joints and increases flexibility

THAI REFLEXOLOGIE: It is based on acupuncture. It is a therapy method that is done to stimulate the related organ with electrochemical messages that come out by stimulating the reflex spots on the hands and feet with the help of neurons. The feet are frequently preferred as there are many neural crests. It affects all the organs and blood circulation.

THAI HERBAL MASSAGE: The special bags plant leaves which are all from natural plants and roots are applied to the body after moistening with hot steam. The aim is to benefit from the therapeutical and relaxing features of the plants based on needs. After the massage, you will feel completely rested and relaxed.

BALI MASSAGE: Bali massage is a relaxing and relieving massage that is specially brought from Bali island of Indonesia, applied by the therapists, in parallel with classic Sweden massage applied with pressurized or relax manipulations based on need. In the massage, it is aimed to make the person who takes massage rested and relieved after the massage.

HOT STONE MASSAGE: Hot stones massage is massage type which is developed by Mary Nelson, massage therapist. It is a kind of massage applied by heating basalt stones with a high iron density and putting them on the key parts of the body and is applied with stones by a therapist. After the basalt stones slowly give the heat, you will completely feel free from jitters and rested after the massage.

DEEP TISSUE MASSAGE: It is a massage that is done by applying deep pressures with a low pace to the muscles, ligaments and connective tissues in the deep parts for situations such as Chronic pains, limitations in motive power, postural problems, chronic muscle jitters, fibromiyalgia.

SHIATSU MASSAGE: It is based on acupuncture. It is a kind of massage that is done by stimulating acupressure spots with different various pressure techniques for the aim to benefit from the resting or healing effects.

JIMBARAN MASSAGE: It is a kind of massage where the massage technique in Bali massage is applied by two therapists in combination. The massage is applied with four hands. After the massage, you will feel a deep relaxation.

ANTI STRESS MASSAGE: After the one-hour anti-stress session that is made with aromatic oils, you will feel a full relief and serenity. The manipulations in the massage are slow and deep.

HAMMAM SULTAN MASSAGE: The traditional “hamam” massage is fulfilled by two people. You will completely feel relaxed after the massage with foams in the hot atmosphere of “hamam” and navel Stone.

AYURVEDA: Ayurveda is one of the treatment methods used in traditional Indian medicine. Our specialist applies the sesame oil which is purified from pure water molecules to your body by special method. After Ayurveda, you will feel a different experience for relaxation.

ABHYANGA: This therapy is the characteristic body massage therapy, carried out by specially trained yogis and yoginis for the entire body using specially medicated herbal oil depending on each body constitution. At the end of therapy, you will feel yourself totally relaxed.

SHIRODHARA: Considered as very effective for relaxation, migraine insomnia, depression and stress-related problems, the therapy is done with herbal oil applying to your head and neck with traditional Indian method for 25-30 minutes.

AKKA ANTEDON MINI CLUB

carefully selected programs for our little guests on indoor and outdoor playgrounds. Well selected programs will be introduced for our small guests in the open play areas.

*Our Mini Club service will be available for children of 4+ age under the supervision of our staff. As children under 4 must be accompanied by an adult during this period, the children of this age will not be allowed at the Mini Club.

*During this period our Child Restaurant will be closed and a Child Buffet will be arranged in the Main Restaurant. Baby food will be available through the Child Buffet and as always your special requirements will be carefully fulfilled.

*During this period Play Barn will be closed due to impossibility to provide social distancing and personal hygiene.

The families can watch the activity room in the Mini Club from their room with **Akka Antedon Mini Club** camera system.

In Akka Antedon Mini Club reception, the registration procedures are done with specially designed registration forms for children. During registration, all the information about our little guest are taken and the child is give a name card to use during the holiday and the child's passport is given to himself/herself and it is ensured that the families bring their children in safely.

While the children have an experience independent from their families, **Akka Antedon Mini Club** does not let the children go out of mini club without permit and have the entrances and exits under control.
