

DISCOVER THE ELYSIUM...

Elysium, a heavenly experience on earth - a place of delight and eternal bliss, where unique experiences impress you again and again...

Adjacent to one of the most renowned archaeological sites, the Tombs of the Kings, the hotel indicates that in ancient times this was considered a headland of significance, valued for its spectacular views of the sun setting into the sea.

Designed along palatial lines, the Elysium invites you to enjoy unforgettable moments in an environment of ultimate serenity with uninterrupted views of the sea.

Surrounded by extensive landscaped gardens with water features, pools, an amphitheatre and its own sandy cove, it extends a feeling of wellbeing and indulgence. Every detail is an example of artistic and insightful craftsmanship, incorporating stone, marble and timber features that enhance furnishings reminiscent of local history and heritage. The moment the Elysium comes into view, you will note its sturdy drawbridge through a medieval arch, leading you to the inspiring colonnaded reception area. Images of the past come to mind, from the days of Byzantine prosperity to Greek, Roman, Medieval and Venetian glory.

A tour of the hotel is a journey of exploration. Take in the warmth of muted earth colours and allow yourself to wander, as you detect intricate mosaics and impressive arches and columns.

The Elysium is situated on the beach in the historical heartland of the ancient city of Paphos, next to the historical site of the Tombs of the Kings. It is only a 10 minute drive from the picturesque harbour of Paphos, 25 minutes from Paphos International Airport and 90 minutes from Larnaca International Airport.

OUR RESTAURANTS

Dining

Dining is a key element of the Elysium experience. A choice of five restaurants offers guests delicious gourmet menus and appetising healthy options, using locally grown ingredients. Satisfying our Executive Chef's demand for fresh and flavourful ingredients, farmers of a plot of land adjacent to the hotel grow a multitude of herbs and vegetables ready to be delivered to the hotel kitchens day by day.

RISTORANTE BACCO

At Ristorante Bacco – a name known and appreciated in a number of European countries – you will enjoy not only a delicious meal, but a complete dining experience in a warm and intimate setting. Authentic Italian cuisine with highlights from Tuscany is captured in a sumptuous menu that includes fresh, homemade pasta dishes, tender meat and fish specialities, and the most popular Italian dessert favourites, all based on original recipes and ingredients. Allow us to recommend a matching Italian wine, or come to the glass-fronted fine wine storage cellar to choose and taste the wine for yourself.

Whether you prefer a table indoors or in the sunken courtyard outside, sit back and enjoy Bacco's unique gastronomic experience in a distinctive ambience.

MEDITERRANEO RESTAURANT (May-Oct)

A few steps from the sea, our open-air restaurant serves Cypriot and Mediterranean specialities. An open kitchen and traditional wooden furniture enhance this inviting restaurant's ambience that combines traditional décor with a touch of class. Mediterraneo is open daily for lunch and dinner. No visitor should leave the island without tasting Mediterraneo's delights, which include local speciality dishes such as fresh fish, pasta, refreshing salads and a great variety of favourite snacks.

EPICUREAN RESTAURANT

A curving cloister leads the way to this restaurant with its impressive décor featuring stone arches and French windows offering uninterrupted views of the gardens and pools. Here you can enjoy the chefs daily menu which includes Mediterranean fish and meat specialities, as well as an à la carte international menu. Between May and October, the dining room opens onto the Epicurean Terrace, where you can enjoy dinner under the stars in the hotel's extensive gardens.

LEMONIA PIAZZA

Reminiscent of a picturesque village square and surrounded by arches with heavy timber beams and yellow paving slabs, the spacious Lemonia Piazza is synonymous with the pleasures of al fresco dining overlooking the hotel's water fountains and cascades.

Visit the Lemonia any time of the day, for breakfast, lunch or dinner. Our children's menu ensures that every member of the family is left more than satisfied!

O'SHIN RESTAURANT

In a secluded area and with a style of its own, the O'Shin Restaurant adds another dimension to the Elysium's gastronomy options. Style and décor featuring illuminated alcoves are as distinctive as every dish. Here, our chefs are proud to present you with an exquisite Asian menu based on the contemporary art of Sushi.

Fresh produce and unique creations express a cuisine with an inspirational and wandering soul.

OUR BARS

CAFÉ OCCIDENTAL

Café Occidental is the heart of the resort, a place where you can relax for a moment or bridge a gap in the day with a refreshment or a drink, while your eyes take in the intricate details of the vast atrium or rest on the endless blue of the Mediterranean Sea.

Antique leather seats, heavy curtains and dark timber flooring and, above all, the medieval-style stone fireplace will quickly make you realise that you are in a truly relaxing environment. And for a quiet moment, step into the library adjacent to the Occidental where you can read your newspaper, book, or enjoy some quiet and undisturbed conversation.

Drinks, signature cocktails, cakes and pastries with freshly brewed coffee are served throughout the day, but nothing can compare with the temptations of traditional English High Tea with scones and muffins, yours to enjoy every afternoon.

MARE NOSTRUM POOL BAR (May-Oct)

Sunken below ground level so you can sip your favorite drink without leaving the pool, Mare Nostrum is a pavillon of cool refreshments, a pool bar in every sense of the word!

From soft drinks to freshly-squeezed fruit juices and exotic cocktails, whatever it takes to quench your thirst is close at hand. A light bite, a selection of pizzas and cold sandwiches are also available.

BAR ASTRIA

An indoor bar... and yet with a starry sky! Themed around the night sky with its glittering constellations, the Astria is where you can share your favourite drinks and moments of private conversation, either indoors or on the pergola-covered terraces overlooking the Lethe Spring, which is beautifully lit up at night. This is the place to meet in the evening and enjoy the offerings of our well-stocked bar which include a range of cocktails, premium whiskies, and even the right cigar to go with your preferred cognac. Live music performances on most nights of the week ensure an unforgettable evening.

LEISURE FACILITIES
