

OVERVIEW

“Jaz Dahabeya” is a four-star hotel fronting a natural lagoon on the Red Sea. From here, it's only an hour's drive to Sharm El Sheikh International Airport. It's easy to access, well-developed and not as bustling as some other Red Sea resorts. The hotel location is unbeatable. Guestrooms feature views of the sea, Sinai Mountains, pool and the gardens.

The setting is stunning, and conditions are ideal for a variety of water sports, especially diving and windsurfing. Putting your feet on the grounds will never seem less inviting except with this exceptional experience you will live at Jaz Dahabeya. Kick your shoes off, feel the sand beneath your toes and dream on.

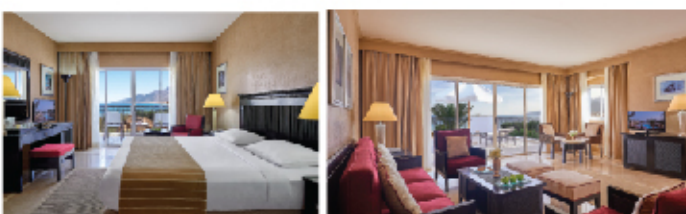

Discover a whole new world under the sea, discover this sea lover's haven and don't forget to keep your adventurous desires alive with our adrenaline-fueled water sports and diving action, a natural hub for stories and memories that live on and one that is envied by any windsurfer that loves a good challenge.
