Organic Farm

Lemon and Soul Makadi Garden has been created a fruitful organic garden with the motivation of keeping our natural environment a beautiful destination and continuing our commitment to an extra sustainable future because "nature knows best." We decided to reject harmful chemical pesticides by organically growing our fruits and vegetables to live a cleaner, healthier existence in a more earth-friendly way.

We are using a natural compost in our organic garden to build healthier soil, prevent soil erosion, conserve water, and improve plant growth to be more environmentally friendly.
